THE FURNITURE AND INTERIORS EXHIBITION FOR NORTHERN UK

**Sunday 26th January** ..... 9.30 am till 6.00 pm

**Monday 27th January** ..... 9.30 am till 5.00 pm

**Tuesday 28th January** ..... 9.30 am till 4.00 pm

Dear Buyer,

We are delighted to be back at the Royal Highland Centre for the **2025 Northpoint Show**. This is an ideal location next to Edinburgh Airport with easy transport links to the city centre. We have moved into the more comfortable winter venue of the Lowland Hall which hosts the welcoming Strathmore restaurant and other facilities.

We are very proud our show has gained the reputation throughout the trade of having a welcoming and friendly atmosphere. Our exhibitors are excited to be showing their products and look forward to meeting new and long standing customers on their stands.

On the Monday evening of the **Northpoint 2025 Show** (27th January) the SFRA will hold their Annual President's Dinner at the Delta/Marriott Edinburgh Hotel. This year we are again combining forces with the Scottish furniture trade's charity arm, the SFTBA, which quietly looks after those in need from the whole of the furniture industry throughout Scotland.

We are very pleased to announce that we have secured extremely entertaining after dinner speaker Willie Allan as our entertainment. Willie Allan was born in Edinburgh and brought up in Dunfermline in the Kingdom of Fife. He was educated at Queen Anne High School, Dunfermline and the Scottish School of Physical Education, Glasgow.

## WIEMANN (Oesder Mobil)

D6+E6

Award-winning German bedroom manufacturer Wiemann is to reveal new ranges and a host of product updates at the Northpoint Furniture Exhibition, Stand E9 and E10 (Lowland Hall, Ingleston, Edinburgh, January 26-28, 2025).

Stylish, contemporary, and urban; the new collections Derby and Sheffield focus on quality and practicality but with a stripped back production process to suit every bedroom budget.

Some of the new ranges fall into Wiemann's well respected and sought-after premium VIP category. These are as the name suggests, the byword in quality for wardrobes.

Kai Schwenke, Wiemann's export manager, said: "Customers know our high standards across all our products and the new ranges are no exception. We have shown prototypes at the MOW trade exhibition in Germany in the Autumn and they have been enthusiastically received.

"We are looking forward to launching them on the UK market at the Northpoint Show. As with all Wiemann products, their hallmark is to offer a total bedroom solution to suit any home as well as showing a commitment to driving increased value for retailers."

"We can't wait to welcome friends new and existing to our stand, unveil and share our collections for 2025."
